Reasons for Allowance

1. Examiner has reviewed and considered Applicants comments as indicated on pages 4 –5 of Applicant's response dated 07/13/2005 and per Applicant's comments, regarding claims 1 – 35 claims are now in condition for allowance.

The following is an Examiner's statement of reasons for allowance.

The prior art of record does not teach or fairly suggest at least:

"...receiving a list of floating-point commands in a formal computer language, the language having set based constraints that facilitate defining Floating-Point events of interest in respect of at least one floating-point instruction", and " a processor configured to process at least the parsed commands for realizing the Floating-point related application on the basis of said events", as best illustrated by figure 5 , in such a manner as recited in independent claims 1,8,13, & 27 - 35 and as pointed out in pages 4 - 5, of Applicant's response (07/13/05).

Therefore, claims 1 – 35 are in condition for allowance.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
